

# 7KL: Mr Lavis

HELLO! One of the things I love about my job is getting to know people, what they like and dislike, and being there for them when they need support.

I especially enjoy being a tutor, so I am looking forward to meeting you soon.

Starting a new school is a challenging time for young people and their families. Having been there for my own children and for several new school intakes I understand just what you are about to go through. Rest assured that we will do all we can to support you through this time.

You may be wondering whether you will be able to find your way around or remember your timetable or wear your uniform properly. As your tutor, I will help you with all these things.

You may wondering about the friends you will make and the work you have to do.

If you have problems with things like this – come and talk to me. I enjoy helping people and I am a good listener.

In a world where you can be anything, be kind – always. If we can be in charge of how we treat others, how we would like them to treat us, we can all work to support one another.

In the meantime, have a look at my four pictures. Each of them tells you something about me. You are welcome to ask me about them when we meet soon. I will want to find out about you, too.

I hope you have a great summer – see you soon.

Mr Lavis
