

# 7TTU: Mr Turner

Welcome to 7TTU!

I am excited that you are joining my tutor new group and I look forward to meeting you soon. You will see me every morning for the next 3 years!

My job is to help and support you every day and guide you through the tough world that is secondary school. We always begin our school day with tutor time at 8.40am.

I will be there to greet you and help you get the best start to your day. I will always do my best to help you with any problems. Tutor time is the time where you will be able to tell me any issues you may have and I will always help you to fix them.

My big message to you is that any problems or questions that you have are important to me. I will always do my best to help you.

Have a look at the 3 pictures at the top of my tutor page; they each tell you something about me. Can you guess what my 3 favourite things are?

One of the things I love about being a tutor is getting to know my tutor group. Connecting, communicating and working with my tutor group makes me happy because I know that it helps my tutees to achieve success. We are a team, we will always respect each other and work together.
