

7JKG: Mr Grenney

Welcome to 7JKG Tutor page. I can't wait to see you all in our induction days and September term. As your tutor I will be your parent in school. Helping to support you to make a great start in Coombe Dean. We will meet every morning, where we check things to get you through the day, (like uniform, equipment and PE kit) complete assemblies, and give out notices and rewards for things like excellent attendance.

I have been at Coombe Dean School for a long time and have lots of experience, knowing staff, buildings and school systems really well. I'm sure you will have lots of questions at first, but we will soon answer all of these, and you will become settled at Coombe Dean. It may seem like a big school at first, but quickly you will see it is not that big.

I am a PE Teacher and love all Sports, especially team games! I also love the great outdoors, running skiing, surfing, and walking on Dartmoor. I am very much a family man as you can see from my photos. I would describe my self as kind, friendly, and fair.

Have a lovely summer holiday, I'll see you in September!

Mr Grenney
